

Environmental Interfaces and the Environment in STEM

*Vignettes and Experiences from a
Thirty-Year Career*

Dr. Vicki Grassian

Distinguished Professor and Department Chair in
Chemistry & Biochemistry at UC San Diego

Friday, Nov. 13

1:10 – 2:15 pm: Seminar and Q&A

For Zoom Link: email adseberkeley@gmail.com

**2:15 – 3:00 pm: Small Group Discussion
on Diversity, Equity, & Inclusion in STEM**

If interested in the small group discussion, please
RSVP directly to adseberkeley@gmail.com

Join us for an engaging talk examining chemical environments of several interfaces
and a history of academic STEM environments for historically excluded groups.
